# Volleyball

- **Tryouts: Approx.**—3rd week of December  
Exact dates will be put in Daily Announcements at least 2 weeks before tryouts begin. Girls will be asked to sign up in their P.E. classes.
- **Requirements:** Girls must have a current physical (within 1 year) to try-out.
- **Athletic Fee:** Any student participating in a school athletic program has a one time \$60 activity fee.
- **Additional Cost:** Girls that make the team will be required to buy a team t-shirt that will cost approx. \$15 and to buy knee pads and volleyball shoes on their own that meet the requirements of appropriate footwear. These requirements will be given by the coach. Wait until after try-outs to purchase shoes.
- **First Game:** First full week in January.

## Note from the coaches:

All girls will be required to serve overhand. The 6th & 7th grade team will be made up of about half 6th grade and half 7th grade in order to keep our program successful in the future. The 6th grade will also play in a couple of separate 6th grade games/tournaments of their own.

The 6th/7th grade team will focus on fundamentals of the game. They will be taught to run a simple offense that will allow them to work on passing, setting, and spiking. The 8th grade team will run a more detailed offense that will involve blocking since they have focused on fundamentals for the past 2 seasons.
