The EPCHS and CJHS are going to offer lessons in the new facilities in the new CJHS Band Room after school. We are hoping to start these lessons April 19<sup>th</sup>. The lessons will be taught by a high school student on their specific instrument. These lessons are designed to assist our beginning and junior high band students, and help them progress at a rapid rate to ensure successful musical development. This program is a great for every student for several reasons:

- 1) Students receive individual attention.
- 2) Private lessons provide increased exposure to the material covered in class.
- 3) Younger players benefit from access to a good role model who plays their instrument well.
- 4) Tutors can provide additional information and material to challenge students based on their level of ability.
- 5) 5) Younger players seem to relate well to the high school musicians and are motivated by the experience.

The lessons will be taught after school starting at 3:10. The students can stay after school and the parents can pick up his/her child after their lesson. The lessons are \$5.00 per lesson. The music boosters will pay for the lessons until we use up the allocated funds. The schedule is as follows:

Monday – Saxophone, Percussion  
Tuesday – Flute, Clarinet  
Wednesday – Trumpet, French Horn  
Thursday – Trombone/Baritone

Please fill out the questionnaire on the next page and return to Mr. Newgard by Monday, April 12. This will help with the scheduling of lessons and make it available to all students. We are hoping to give the students a specific time for the lesson. If you have any questions or concerns, please send me an e-mail or give me a call.

Thanks,  
Mr. Newgard
