

## 2010 Summer Music Camps

March 10, 2010

I have had many questions concerning summer music camps. Here is the list of local music camps and answers to your questions. If your child is interested in attending a music camp or if you have any more questions, you can contact Mr. Newgard at [newgardk@epd86.org](mailto:newgardk@epd86.org) or 427-5254.

### **Why should I attend a summer music camp?**

These camps develop musical skills and improve the understanding and appreciation of music. Also, it is a fun experience with activities besides music. Many of the friends you make at music camp you will see at different band events with school.

### **When do I need to register?**

Registration for summer music camps have just begun. It is important to register early. The camps are filled on a first-come-first-serve basis. Mr. Newgard has the registration forms for all of these summer camps.

### **Are there scholarships or financial aid available?**

Many of the summer camps offer scholarships and financial aid. Also, the CJHS Music Boosters can give up to \$300 in scholarship to attend a music camp. This is on a first-come-first-serve basis. I have attached a scholarship application.
